

## **BCMC STORIES**

Thank you for participating in BCMC Stories. Recording your story is easy and fun!

Make your recording with the Voice Recorder or Voice Memo app/feature of your smartphone or another recording device.

- Please minimize background noise and do a short test before telling your story.
- Limit your story to 2-3 minutes.
- Begin your recording with an introduction including:
  - your NAME
  - the DATE
  - your INSTRUMENT(S)
  - HOW MANY YEARS YOU HAVE ATTENDED THE CONFERENCE (or state the first year you attended).
- If you are interviewing someone else, make sure both names are included.

Some possible topics to address in your recording:

- Describe a memorable moment from a coaching, a free play session, or another aspect of the Conference.
- What was your first impression of the Conference?
- Why do you attend the Conference?
- How has the Conference made a difference in your life?

Save your file with a filename that includes your full name and a keyword of your choice.

Email your story file to Emily Toll at [EBT777@msn.com](mailto:EBT777@msn.com).

**Thanks in advance! Have fun!**
